PROFESSIONAL SUMMARY

Skilled Computer Science professional recognized for academic excellence and practical experience in software quality assurance, teaching assistance, and technical projects. Proficient in programming, web development, and problem-solving, with a strong drive to create impactful technology solutions and continuously grow in dynamic environments.

EDUCATION

Bachelors in Computer Science (2021- 2025)
FAST NUCES, Peshawar
CGPA: 3.48

Intermediate in Pre-Engineering (2019-2021)
Islamia College Peshawar
Percentage: 80%

Matriculation in Science group (2019)
Peshawar Model Girls High School
Percentage: 89%

SKILLS

- **Languages & Databases:** Python, C++, C, JavaScript, MySQL, MongoDB
- **Web Development:** HTML, CSS, PHP, React.js, Node.js, Express.js, MERN Stack
- **Tools & Platforms:** JIRA, LaTeX, Wireshark, Visual Studio

PROFESSIONAL EXPERIENCE

Productbox, Peshawar (Mar 2025 – Aug 2025)
Software Quality Assurance Engineer

- Tested software features, reported bugs, and improved UI/UX.
- Created user stories and managed tasks in JIRA.

FAST NUCES, Peshawar (Aug 2024 – June 2025)
Teaching Assistant

- Assisted in Software Engineering & Automata courses.
- Guided students, evaluated assignments, and clarified concepts.

PROJECTS

- **Track Mate: The Technological Ally for the Visually Impaired** Designed and developed a smart stick using Arduino, ultrasonic, and moisture sensors to detect obstacles, stairs, and water, providing vibration and sound alerts for safe navigation.
- **To-Do List Application (React.js)** – Built a task management web app using React with features for adding, deleting, and managing tasks dynamically.
- **Tour & Travel Website** – Developed using HTML, CSS, PHP, and MySQL for managing tours and travel services.

- **Resume Optimization & Job Market Analysis** – Created a Python and ML-based system to optimize resumes, identify skill gaps, and analyze job trends.

KEY ACHIEVEMENTS

- Raised funds for janitors' daughters' school fees.
- **Dean's List of Honor (5 times)** and **Silver Medals** (4th–8th semesters).
- Completed **15-day Flutter program** and served as **GDSC Team Member (2022–23)**.
- Participated in **ICPC Asia Topi (2023 & 2024)** and **NaSCon'24 Quiz Competition**.
- Secured **2nd place** in **FAST Problem-Solving Challenge (FPSC) 2024**.
